Protect your family from pesticides... *It's easy!*

LEAF

Wash your work clothes separately from the family's clothes.

Bathe with shampoo and soap directly after working.

Wash your hands and your family's hands before eating, drinking, or going to the bathroom.

Avoid areas where pesticides are being sprayed.

Prevent insects from entering your home by sealing cracks and keeping the house clean and dry.

Keep all cleaning and pesticide products outside of children's reach .
