# Don't Bet the Farm On Medicaid

Third Edition

In its Third edition since 2018, "Don't Bet the Farm on Medicaid" consists of over 15 US states and contains general information about Medicaid eligibility. This book is essential to have if you are a home and/or landowner who is preparing to transfer realty ownership to family members or a third-party entity prior to entering into a long-term care situation. The basics of Medicaid, income requirements, estate recovery and exemptions are contained in this book. A Medicaid lien's impact on your real estate assets varies from state to state but can be devastating on your family's ownership. This book does not replace the expertise of an attorney nor should it be considered legal advice.

This book is copyright protected by the US Copyright Office (No. 1-6535074941) and was written and compiled by Jillian Hishaw, Esq. Hishaw an Attorney, Founder and CEO of Family Agriculture Resource Management Services (F.A.R.M.S.) an international nonprofit that provides technical and legal networking services to landowners. Hishaw's has been interviewed by O (Oprah) Magazine, the Washington Post, the Atlantic and more! Over the span of her 15-year career, Hishaw has written and published numerous law review and news articles on environmental and agricultural topics. In 2019, Food Tank ranked Hishaw No. 5 out of 14 Women "Changing the Food Industry in the World." Hishaw has a Bachelor's Degree in Biology, JD, and a Legal Masters in Agricultural law.
