AFOP'S 2023 NATIONAL CONFERENCE

AND BRING YOUR AGENCY BOARD MEMBERS

AFOP has planned a series of educational sessions specifically designed to meet the learning objectives of your agency's Board of Directors; all the topics that are of concern. Led by a dynamic speaker and non-profit executive himself, Rick Weaver of TRANSFORM will keep the sessions lively and engaging.

AFOP Board of Directors members are encouraged to attend these sessions with your own agency Board Members so the learning and discussions will continue well after San Diego.

- 11:45am A Successful Board Transition
- 2:15pm Diversity & Inclusion: More Than Just Checking Boxes
